And He Had Only One Way to Gel There is at the entrance of the church of San Salvador in the Spanish | early spring, they may be attracted to city of Oveldo a remarkable tomb, erected by a prince named Silo, with a curious Latin inscription which may suct. be read 270 ways by beginning with the capital "S" in the center,

Warblers of All Kinds. Not taking into account the "man as warblers, you will find that there are many kinds of warblers. If you had a collection of them all together they would take in about all the colors of the rainbow, yellow, orange, chestaut, black, white, green, gray, brown and other colors, with numerous shades entering into their beautiful

Beliefs Concerning Sapphire.

His Drawing Powers. "Can you draw?" an applicant for a private tutorship was asked. "Certainly," replied the candidate; "at ten years of age I could draw cider; at twelve, a picture; at fifteen, a handcart loaded with cabbage; at sixteen, an inference; at twenty, a bill of exchange. If I were an actor I believe I could draw the largest house; but, being a teacher, I am content to draw a small salary!"

When Birds Return, trees near the home by placing near the trees a shelled coconnut, with some

Beautiful Birds. There are about fifty different kinds of birds of paradise, which are among the most beautiful of the world's feathered creatures, and their home is in the South seas, on the continent of Australia and islands and countries nearby. These birds live in forest treetops and are very lively and active, jumping about and hanging from the limbs of the trees.

Cost of Producing a Diamond. To produce a diamond in the rough costs approximately \$7 a karat, according to estimates of various students of the diamond industry. If To the sapphire has been ascribed this diamond properly cut were sold at wicked thoughts; that it is such an \$30, it would not a good profit. In the snemy to poison that if put in a glass South African mines it is said the with a spider or venomous reptile it diamonds are distributed so evenly will kill it. Sensations of Heat and Cold. The feeling of cold or warmth is as in the case of a chill. This chilly internal organs and still normal temperature of the skin.

A Terrifler. An artist was sketching from the river bank near two friends who were fishing. The artist was at one time surrounded by cows which interfered with his view, and he tried to drive them away by throwing things at them, but they would not budge. At length one of the anglers cried: "Show them your sketch, old man!" He did devices of the kings of France, Spain so, and the offenders fied.

You can't make your face. Perhaps caused by sensations in the skin and if you could, you would make it dis-has little significance as to the body ferent; perhaps not. But you can mperature. On a hot day one may make your voice. You can make it feel very hot when the body tempera- gentle or harsh, you can make it pleasture is quite normal. Again at the ant or quarrelsome, you can make it beginning of a fever one may feel cold common or refined, you can make it appealing or repelling. Many a job feeling is caused by the contrast be-tween the higher temperature of the pleasant voice, many a friendship rebuffed because of tones that grate harshly on the ear. A "common" voice slams tight shut the door of many social and business opportunities.-Indianapolis Star.

Devices en Old Playing Carde. In the seventeenth century English cards were embellished with heraldic designs. The king of clubs bore the coat of arms of the pope of Rome. Spades, diamonds and hearts were adorned respectively with the armorial and England,-Cleveland Plain Dealer,

Tag Your Books An Apt Illustration.

Many book lovers with large and precious libraries keep a small book to the class and getting their opinion books. And don't forget that the gold- it."-From the Outlook. en rule applies in books as in other

Champion Meanest Man.

phases of life, and return the ones

you borrow yourself.

A peculiar case which recently came before a London magistrate was that of a woman who applied for a separation from her husband, whom she denounced as the champion mean man of all England. She complained that her husband during the sugar famine kept his supply in a separate bowl, in which he imprisoned a fly. If the fly was still there when he returned home nobody had tampered with his hoard; if it was not, a lump or two had been English and Mr. English is Irish.-Bos-
